I'm in my second year in college and I think I'm going to love it here this year. My frosh year was so awkward and scary. I spent so many hours in the library because I didn't want to fail a class.

Now that I know what to expect, I feel more at ease with school. I joined the cheer squad and within a month I'm dating the football team quarterback.

Blonde Mina and brunette Morgan have been bffs since they can remember. They do everything together, and apparently their teacher, too. Mina had a couple failing grades and would not get passed to the her sophomore year. She needed to get a B or better.

Morgan to the rescue. She suggested they 'talk' to the teacher and 'convince' him that she was worth passing. How? By offering up their sweet young co-ed pussies and asses to him.

ERIN'S PRIVATE LESSON

I go to a Southern university and a lot of the co-eds don't wear much to classes because of the heat and humidity. Well, that gets those good ol' Southern boys pretty hot, too. But then that's part of the game down here: we tease them, and then we please them. Today, I talked a grad student into giving me a private lesson. I'm a very quick learner.

I LOVE SUCKING GRAD STUDENTS' COCKS 800-595-5636 MUST BE 18 TO CALL

WorldMags.net

LESSON ONE

If you didn't know about blow jobs by the time you got to college, most probably it will be the first lesson you'll learn! College boys are as horny as they come. And they want to cum as often as they can. So the quick and dirty is the blow job. Young co-eds are constantly pressured to give head, but don't do it unless you want to. Guys, be nice and don't force anything.

AN INTERN'S FAVOR

I was asked by CO-EDS magazine to recount one of my earliest college experiences. My name is Craig and I'm a senior at an eastern college. I thought back a couple years and this little incident with Dr. Fehar immediately came to mind. Dr. Fehar worked for the University Hospital several blocks away from my dorm. I was beginning my second year in nursing school and accepted an internship with her. She came highly recommended and I even discovered that she had a few students come back to work with her group after graduation.

So now it's Thursday morning, three weeks after I began working with her. I went to my last class and then off to the hospital as usual. She told me that I was going to be working on a special project with her for the next two weeks. She told me to report to her after my classes tomorrow and we would get started. We were to work in the laboratory trying different solutions in a chemical mixture that would isolate certain amino acids that we then could re-engineer into other compounds. I was excited to put my chemistry and lab skills to good use instead of just hearing and reading about them in the classroom.

I arrived at the hospital the next day and after flashing my badge, headed straight to the basement laboratories. There are two large well-equipped labs with two offices, four cubicles with computers, a small lounge area with a sofa and a couple of over-stuffed

chairs and one unisex bathroom. When I got downstairs, on my way to my cubicle, I saw the doctor in the hallway walking towards her office. She was one step ahead of me, telling me to go to the lab and find a lab coat that fit and to meet her in her office in ten minutes to go over the project.

For a week, including weekends, she took me through the steps of isolating some of the organic elements and prepping others for their eventual combination. Dr. Fehar always smelled good, very feminine, but she was sure and confident in her knowledge and teaching style. This morning, she invited me into her office to review the last few days research. As she talked about the findings, I sensed her tone softening and she stumbled over a few words. I've never heard her misstate anything before today. She got up from her office chair and came around to me and stood behind me. She kissed the back of my neck as she massaged my shoulders and said "I know you'd enjoy it."

I was shocked, and used every bit of me to turn around and I got up to leave but she blocked the door. She said "I will only ask you once and then I won't bring it up again. I've wanted this for a long time. I trust you and it seems like you trust me. So I'm going to ask you again. She walked closer, staring me directly in the eyes and placing her right hand on my crotch. "Do you want this to stop?" She reached and unzipped my pants and stuck her hand inside. She grabbed my turgid cock and to her shock, I pushed her hand away. I tried to walk away, but before I could take my first step, she dropped to her knees, pulled my cock out of my pants and placed her warm wet mouth on my cock and I realized I was about to enjoy it.

But next thing I know, my pants and under-

wear slid to the floor so effortlessly. I opened my eyes and looked down. She had completely stripped me of my clothes from the waist down. All I had on was my t-shirt. She was already making me moan and soon she opened her lab coat to reveal a form-fitting red teddy underneath. She went back down on me and looked back up at me with my dick half way in her mouth.

I was enjoying this so much that I took my shirt off. She smiled up at me but even though she was stroking my cock with her hands and mouth – I wanted more. So I pushed my cock further into her mouth. While holding her shoulders I pushed her into my chair. Her grip on my cock had gotten tighter not to lose my dick which was buried inside her throat. My confidence rose to the point where I started face-fucking her. I grabbed her hair and went full force. Her smile grew bigger and she gagged as she swallowed all my cock down her throat. Never in my life had I face-fucked anyone before, it felt like her mouth was made to suck my cock.

She got off her knees and told me to sit on her desk. Immediately she went back at it. My body started to tighten up and she knew I was ready to cum. She stopped and said “No, not yet.” so she reached up and took my head closer to hers and kissed my lips with such passion it made me melt right there on her desk. Then she said, “Now you may cum, and don’t hold back. I want it all in my mouth, right now.” I smiled as she went back to deep throating me, wanting me to touch the back of her throat with the head of my cock. She buried her face into my forest of a pubic area while placing my legs over her shoulders.

She lifted her face from my pubic area to give my balls some attention. She tried to stick both of them into her mouth at the same time and it felt as if she had given me the best gift of all. Then she removed them and went straight for my hole. I was in shock that she did that, but it was the best. Without entering

my hole, she licked all around it and over it. Without any notice she spit right into my hole and that made me jump. I arched my back, tilted my head back and gripped her hair and quietly said “Don’t stop, don’t stop.”

Five minutes after she stopped me from cumming the first time, she stopped and said “I never had anyone last this long.” She laughed and said “Now we’re going to see about that.” and with that, she put my legs back on her shoulders and stuck her face between my cock and balls. I felt tiny bites and nibbles as he worked that area. Then, my cock went back into her mouth. She started sucking faster and faster. I was ready to give her as much cum as she wanted. I stiffened up and cock filled her mouth – and it happened. I exploded with cum going down her beautiful throat. I became a fountain of ever streaming ropes of cum. It felt as if I was never going to stop. I gripped her hair with one hand and the edge of the desk with the other while I was still enjoying her bob up and down.

A short while later I was done – exhausted and satisfied to no end. She backed off and my feet hit the floor, but I couldn’t stand so I just slowly fell to the floor. She sat in the chair in front of me and unsnapped the teddy between her legs. Her pussy glistened in the office lights. She leaned forward and gave me another passionate kiss as if I had done her the biggest favor on earth. Then she said “Your turn, my dear intern.” I looked at her shaved pussy in front of me and reached out to gently

LESSON TWO

Sex and Studies

There’s going to come a time in every student’s college life that they’ll have to decide whether to go to class or have sex. Whether to study for a test or have sex. We’re firm believers that school should cum first, but just in case you decide to skip a class and have sex, you can always make it up. If you decide to skip a test to have sex, be sure before you do that you can make up the test. And in the unlikely event that you choose to go to class or take a test before bumping uglies, then you’re probably a nerd.

if it could help her back. "You must be Denice." "Yes," she said. "11am." She explained about her swim meet last weekend and the back pain she was experiencing in training all week.

He asked if she would get changed and pointed towards a curtained area. She pulled the curtain across and got changed. Reaching her underwear she was unsure of whether to take it off. Slightly embarrassed and nervous she decided to leave it on. Then wrapping the towel around her, she emerged from the changing room. Erik asked her to climb onto the table and as she did, he took her towel and laid it over her body. He then said, "I will start working across your back. Just shout if anything hurts."

Erik rubbed for a long time all over her back when she felt his hands all of a sudden push under her bra strap. "Do you mind?" he asked – that it is very hard to do her back with the bra strap across it. "May I undo it?" "Okay," she said. All of a sudden she felt his hands move slightly under the towel and onto the top of her panties. It made her shiver slightly but she was so relaxed she didn't mind. This carried on for some time before he moved to her legs. This time rolling the towel up – she knew it was just her ass covered now. Suddenly, Denice realized she was getting turned on.

Finished on the back side, Erik asked her to turn over. She grabbed the towel to cover herself as she rolled onto her back. He starts with her shoulders and notices she's squirming. "Is everything okay?" he asks. "Yes, I'm getting.... just a little turned on," she says shyly. "Oh," he said and added, "If you like, I'll massage your breasts and you can massage down there." She chuckled and whispered "Okay." Within minutes of fingering her clit and Erik playing with her boobs under the towel, Denice cums quietly and smiles a big 'thank you' up at him.

stroke
it. I got on my knees this time and leaned into her crotch. I was still completely naked. As I began licking her, she said "Can I be serious?" I nodded and looked directly into her eyes. She said "I wanted you every since you started here, and I hope this doesn't stop anytime soon." Still catching my breath from that whirlwind she took me through I said "If this doesn't affect my grade one way or the other, then I'd love to continue." And with that I buried my tongue as far as it would go into her pussy. Minutes later she was bucking in the chair as I finished her off.

RUB-A-DUB-DUB

It was the second swim meet that Denice was in that weekend and she knew her injured back was getting worse. After the meet, she left the college's swim facility and started to walk home – but just as she was about to exit, she saw a bulletin board with a large sign that said "Do your muscles ache? Sports massage is the healer." Maybe this was the chance to make her back feel better, Denice thought. She went back into the facility and found another swimmer. She was told that a new masseuse had just taken a space in the building next door. Denice decided to stop in and the receptionist told her the prices and said they had an hour's opening this Friday.

That Friday, Denice met her masseuse, Erik, at the appointed time. She had not had a massage before so she was a bit unsure what they would do? Still she carried on hopeful to see

LESSON THREE

Anal Sex

In every college today, almost every co-ed will be confronted by the horniness of boys who want to stick it in your butt. It's probably something 99% of college girls have not done, and just as many boys. There's a protocol and process to good, healthy anal sex. The colon should be clean, inside and out. That means preparing the area with cleansing enemas, and a good cleaning around the back door. Practicing with a finger or small dildo will acclimate the anus to a visitor. Whatever you do, don't forget the lube and be careful.

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 10170 W. Tropicana Ave. #156-168, Las Vegas, NV 89147. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them – or not. Either way, we enjoy reading them all.

I'm taking spring break this year hunting in the swamps of Louisiana. I have a week to learn to shoot a gun and shoot with a bow and arrow. I've come to the woods with two classmates that are going to show me how to do that. Maybe I can get our dinner tonight.

But first, I promised the guys to show them what I do best – fuck. Not just fuck, but fuck two guys at the same time. It didn't take them much convincing, especially when I unzipped their trou and pulled those cocks out and into my mouth.

TIFFANY'S TWO-TORS

Not too many girls will do that or can handle that. I'm a go-getter and when there are a couple big cocks around, I go get them.

My neighbor George is coming over today after I get home from class to help me get through world history lessons. When I went to college, I didn't think I had to learn about the Visigoths sacking Rome in 400 AD. That's why George came over. He knows history and can teach me a thing or two in the sack.

I just got home minutes before George arrived and didn't have time to change. But I also had a really long day and wasn't in the mood for more studies. So I talked George into starting an hour later. I told him, I'd make his wait worthwhile and quickly undid my blouse and then his zipper. I found he was already hard when I pulled his zipper down, and didn't waste any time sucking on it. History can wait.

THEY DON'T TEACH THIS IN TEXTBOOKS 888-393-6725 MUST BE 18 TO CALL

it's all about teamwork

Dani pulls out her smartphone and scrolls through the pictures stopping at the full torso shot of a guy with a long hard dick in profile.

"I feel horny all the time. Does that make me a nymphomaniac?" Morgan asks. "Not really," counters her drinking buddy, Dani. "Because I feel that way all the time, too," she adds. "Fortunately for me, I've got Allan for my booty calls day or night. He's very adventurous and accommodating with me. I love to experiment and he goes right along," Dani says as she sips her mocha latte. Dani has an arrangement with her college lover which allows her fantasies to be explored and enacted, some of her most extreme desires to be expressed and

more flick and a shot of Dani's mouth around the cock head appears and she explains how many shots she had to take with the phone's camera to get that one good one. Dani laughs out loud and winks at Morgan, whose eyes are wide open and her jaw's dropped as she gazed at the pics.

"It's one absolutely delicious cock," Dani says, and with a sly smile adds, "but it's even tastier when it's deep inside my pussy." Dani thinks for a minute and adds "No it's better when it's in my ass!" she says. "In your ass?" Morgan asks. "That's delicious, lady, I so dig that too. There's just something about that stick of man-meat inside my butt that makes me melt." Morgan says looking up from the photos. Putting both hands around her drink, Morgan looks directly into Dani's eyes and says "Another thing I love is pussy!"

"Oh, you're bad, and a mind reader. I do, too. Men are nice and they have their place, but a nice, soft wet pussy is something I can get lost in for hours, baby," Dani says. Realizing that a rare moment has happened, they stare at each other and then both break out into a which acknowledged the fluid, easiness that they were able to discuss these secret thoughts. Lunch time was over and they headed back to the office. "I'll call you later," they said at the same time.

That night the two talked – setting the wheels in motion to exploit their plaything. Details were discussed and plans were made. The most difficult decision was to tell Allan or not. They decided, not! A few night later Morgan's at Dani's apartment. Dani had Morgan arrive first so they could share a glass of wine or two before he came. There's a knock at the door. Both ladies go to answer it. Standing there is Allan. Immediately his eyes meet Morgan's and she smiles back extending her hand, "Hi. I'm Morgan," she says. "Pleasure to meet you. I've heard a lot about you," he said. Allan and Morgan seemed quite pleased to finally lay eyes on one another. Allan was wearing board shorts and a white tank top. Not really a surfer kind of guy, he still likes to wear clothes to show off his body. The ladies back away from the door and Allan enters the house. He is taller than

satisfied. So she tells Morgan how the two of them enjoyed their lustful liaisons, those liaisons sometimes including others. This certainly piqued Morgan's interest.

"I have this thing for pretty cocks. They have to be straight and long. And they have to stay hard for a long, long time," Morgan says. "What's Allan's like?" Dani pulls out her smartphone and scrolls through the pictures stopping at the full torso shot of a guy with a long hard dick in profile. "That's Allan's," Dani boasts. She flicks the screen and more shots of his cock appear. One has a woman's hand around it. "That's my hand around it, just to show you how long it is," Dani says. One

Dani lowered her face to Morgan's breasts, sucking one nipple, then the other. Her nipples were stiff and aroused, and loved having her very sensitive nipples sucked like this while she sucked Allan's cock.

his picture seems to show, and much better built. His face is handsome, but not a pretty-boy. His hands and feet are large, something not lost on Morgan.

Dani invites everyone to the kitchen for drinks. Leaning on the counter, Dani says that she showed Morgan his photos on her phone. Allan blushes and is a little taken aback by Dani's comment. She goes over to him and rubs his arm, saying 'that's alright.' He looks down at her and smiles. She backs off a little and reaches for his drawstring looking at Morgan saying, "Want to see it live?" She rubs the front of his shorts, squeezing his cock so that when she slips a hand under the elastic of his shorts, she finds it large and hard.

Fondling him in his shorts, she pulls them down with her other hand and pulls his cock out as Morgan watches. She looks at Morgan, teasing her with her eyes while stroking Allan's cock. Morgan takes in the sight with eyes focused on every detail of his cock. Then Dani bends down and takes his cock into her mouth. As she sucked and stroked the shaft in her hand, Dani

motions to Allan to take his shirt off. He obliges by pulling the top over his head, exposing his beautiful chest. Just the right amount of hair and well-formed pecs. Dani steps back and pulls down his shorts exposing his cock completely to Morgan. Now standing stark naked in front of Morgan, he grabs his cock and gives a few deft strokes while looking Morgan right in her eyes.

Dani strips herself naked closely watching Morgan's and Allan's interplay. Dani was going to help Morgan undress but, before she did, she couldn't help doing something, something she always craved. So she dropped to her knees behind Allan, took hold of his trim, firm buttocks, spread them wide open and pressed her face between them, lapping hungrily at his asshole. Morgan comes over to Allan and takes his cock in her hands. She looks at him directly and strokes his cock, licking his her lips as if to tell him what's going to cum later. Dani stands up and pushes Allan as Morgan pulls him by the cock into the living room.

Morgan sits on the couch, putting her face right at Allan's cock height. She replaces her hands with her mouth and slowly begins to caress his cock with her lips. Now Dani sits on the couch next to Morgan, the two women gazing at each other as Morgan kept up the blow job and Dani began to unbutton her blouse. Dani brings her face close as Morgan, reading the signal, releases Allan's cock from her lips and lets Dani have herself a nibble. But Dani had other things in mind as she now urges Morgan to resume sucking, systematically disrobing Morgan as she continued fellating Allan. Off came the blouse, the skirt, and the rest leaving the three of them utterly and totally naked.

Now Dani wanted to have she and Allan perform for Morgan's viewing pleasure – have her watch as they engaged in one of their typically raw, scorching couplings. When they lunched, Morgan had been deeply intrigued to hear how much Dani enjoyed taking it up the ass, and when Dani had mentioned to her that perhaps she'd like to come by sometime and watch she and Allan do the dirty, Morgan, with a glint in her eye, said teasingly that she'd love that, especially if Dani promised Morgan could watch the anal antics.

Before any of this was to happen, Dani lowered her face to Morgan's breasts, sucking one nipple, then the other. Her nipples were stiff and aroused, and loved having her very sensitive nipples sucked like this while she sucked Allan's cock. Dani got up on the couch on her knees and stuck out her ass provocatively – stuck it out nice and high knowing that would separate her cheeks enough to make her asshole visible to the two. She knew how desperately Allan lusted for that puckered little hole every time he laid his eyes on it. Dani brought her two hands back to hold her buttocks wide open. Looking over her shoulder, Dani could see Allan pushing gently on the back of Morgan's head towards Dani's totally exposed bottom.

Allan positions himself behind Dani and pushes his cock into her ass with Morgan guiding to the spot. He forces an inch or two at the start and then goes deeper and deeper.

Morgan complied grabbing Dani's ass cheeks, caressing and then massaging them as she teased the other woman, playfully blowing air right on her vividly exposed asshole, the effect on Dani to make her long desperately for the feel of Morgan's tongue, anyone's tongue! Then she felt that tongue and, as always, the sensation was sublime. For some women their assholes were tempting but forbidden entryways to be denied their men, or were offered up, often reluctantly, as a special treat to please them. But for Dani her asshole was like another pussy, it was one the major destinations of her erotic topography. She always knew she had the potential for enjoying sensual pleasure down there. But it was Allan who really opened her up to the thrills and the joys of anal sex.

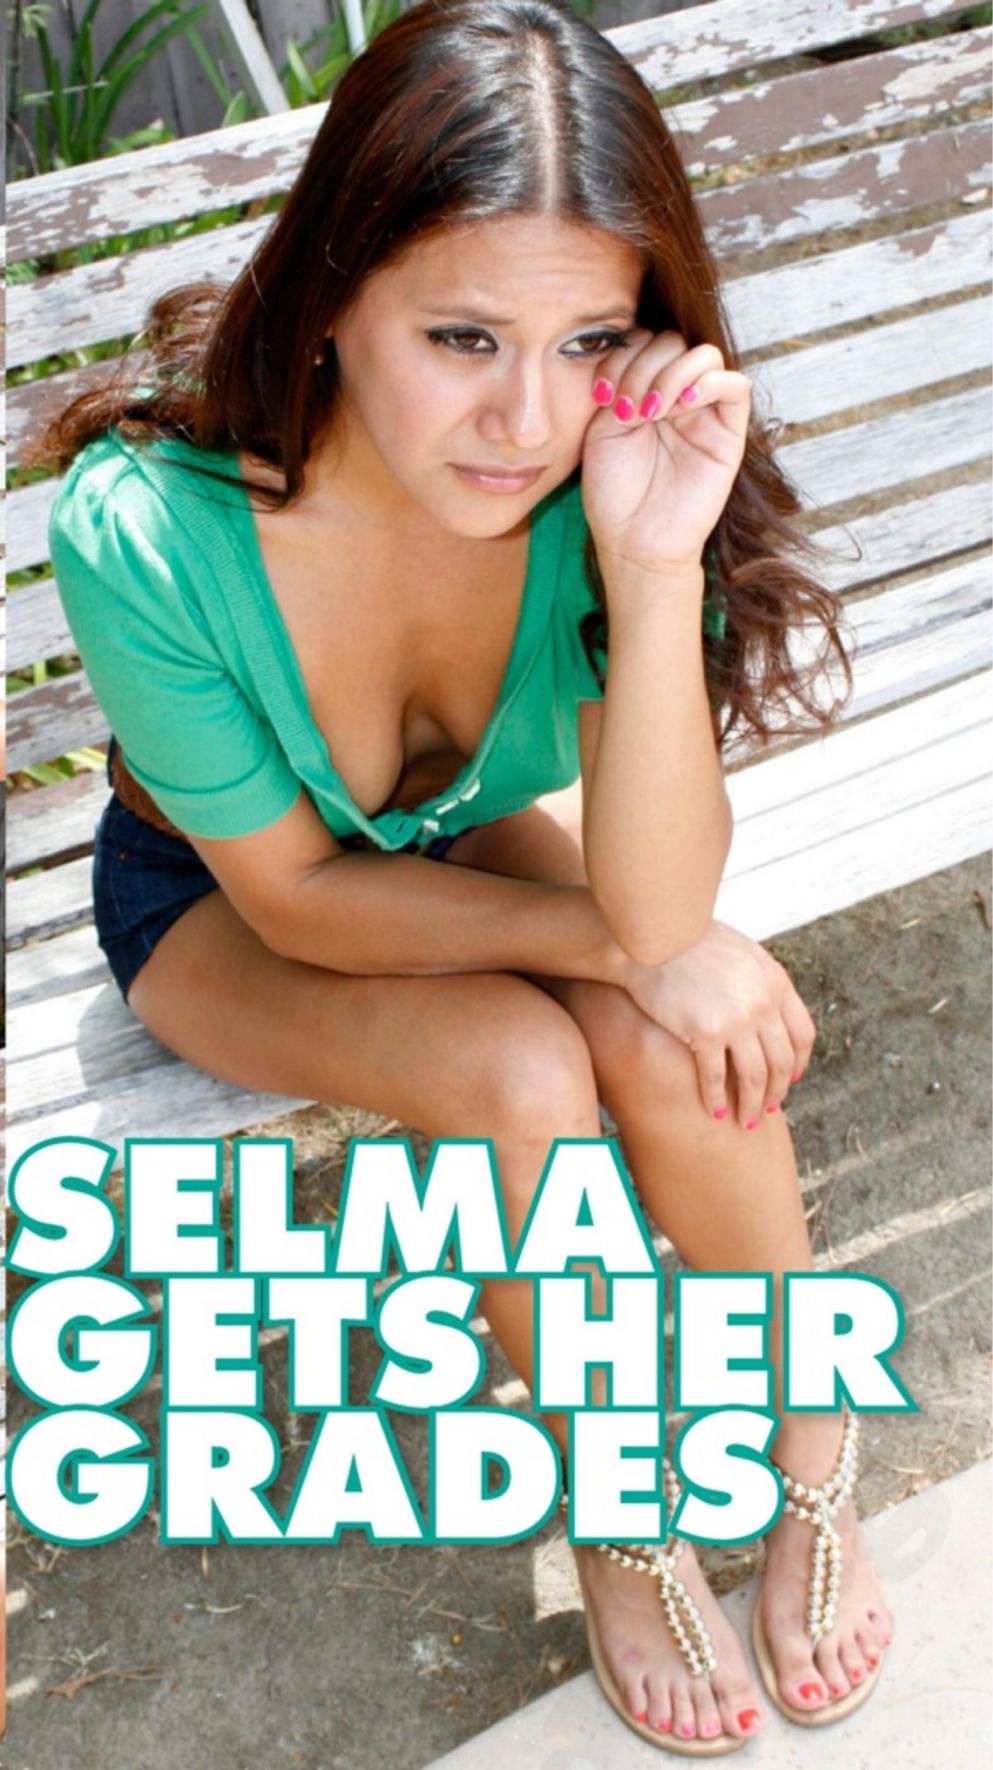

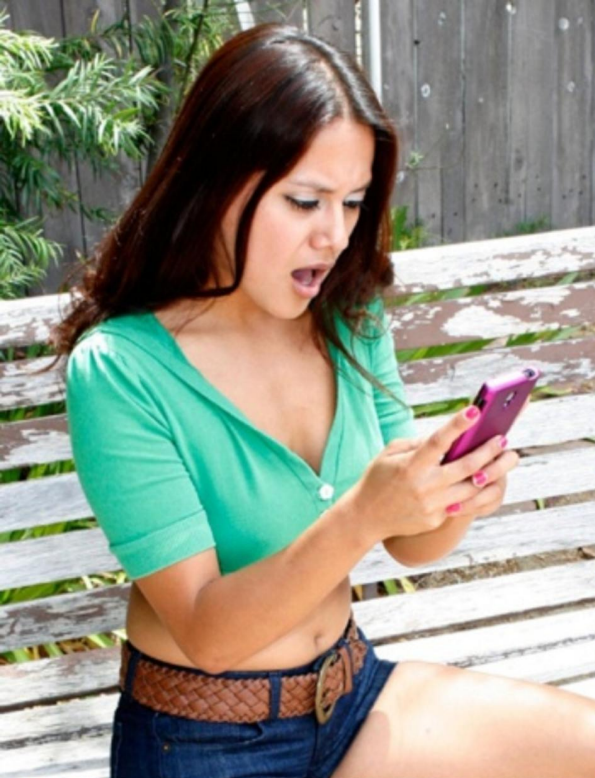

Immediately Morgan began to lap away hungrily at that morsel, betraying that she knew a thing or two about lavishing an asshole with oral attention. Allan watched Morgan tongue Dani's bottom, her eyes sparkling with lust as she glanced over at Allan lewdly flickering the tip of her tongue over Dani's asshole. Dani groaned as she felt the two tongues work away at her, Morgan's making it down to her clit, already swollen and pronounced, teasing her with a few quick flickers of the tip of her tongue over that hard little nub. But Morgan knew there would be plenty of time to attend to that little pearl of Dani's. This was just a quick tease. And so now she dragged her tongue upwards again as Allan pulled away and Morgan resumed licking Dani's asshole. They took turns now, Allan

and Morgan, lapping away at Dani's ass like two famished gluttons, first just licking, then, Morgan following Allan's lead, forcing their tongues up into her anal passage.

Allan told Morgan to stick a finger inside her butthole, pulling back his tongue as Morgan pulled hers back, replacing it with a finger, which she slowly dug into Dani's anus. Dani moaned as she felt the stiff digit slide into her bottom. Dani craved the finger probing her bottom, digging in deep, and loved hearing Morgan being so expressive. But she wasn't surprised; she had the sexy brunette pegged as a hot little number and a sexy tease the minute she laid eyes on her. Now, Allan slid in a finger of his own alongside Morgan's, Dani's asshole well prepped for such probing after all the lavish licking. Dani often had two or more fingers wedged up her asshole, but they usually belonged to one hand, Allan's. He reached over to the side table and grabbed a jar, unscrewing the top. He told Morgan to dip a finger or two and 'to grease her up.' That sent a chill through Dani whenever she heard Allan use the word 'grease.' Somehow it sounded especially obscene, knowing that the greasing he referred to was of her ass, and that it was to be done for a purpose, for the fucking of that ass.

Morgan, smiling a little wickedly, pulled her finger out of Dani and reached to scoop up a big dab of the grease, slapping it between Dani's cheeks. She slowly and teasingly spread the slick lube all over Dani's anus, then working plenty more in with a couple of stiff fingers. She turned to Allan and spread more on his readily stiff cock, prepping both the plunger and plungee. Allan positions himself behind Dani and pushes his cock into her ass with Morgan guiding it to the spot. He forces an inch or two at the start and then goes deeper and deeper. Morgan realizes her fingers are well greased and surprisingly sticks one into Allan's butt. He lurches forward thrusting his long hard cock suddenly deeper into Dani's ass, then pushes back out so her finger can go into him even deeper.

Allan motions Morgan from behind him and tells her to kneel on the sofa beside Dani, which she does, releasing her finger from his ass. With his cock still deep in Dani's ass, he returns the anal finger-fuck sticking a well-lubed finger now into Morgan's ass. After several more thrusts he pulls Morgan's hips next to Dani's and replaces his finger with his cock. Now Morgan can enjoy what she has fantasized about – a long hard cock deep inside her ass. Never realizing how good it felt, she takes over the fucking by moving back and forth on his rocket. Dani turns over to lay under Morgan and begins to lick her pussy holding her ass cheeks apart for Allan's thrusts. All of a sudden there are police sirens coming down the street and I have to quickly get away from the window because I don't want to get caught. I'll try to come back later to tell you how it all ends.

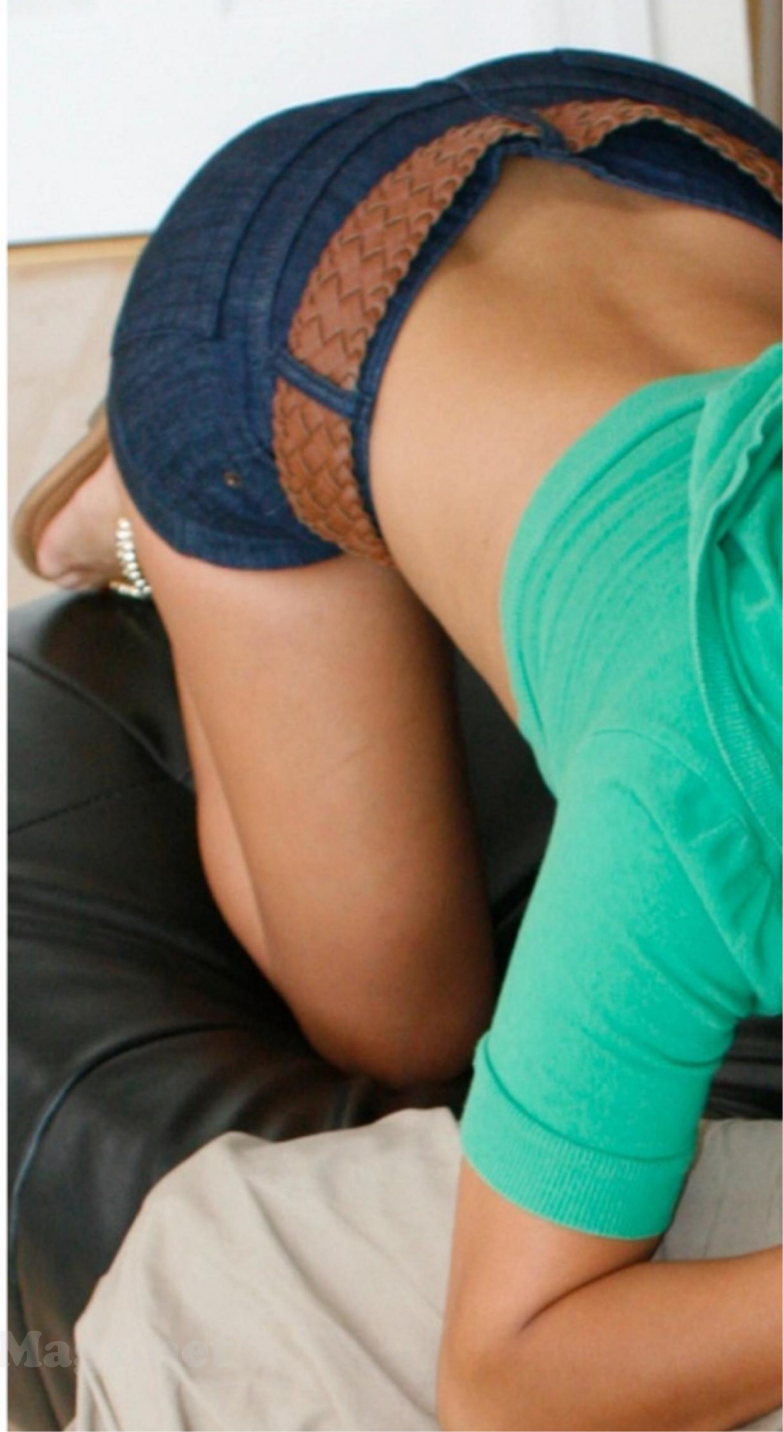

SELMA GETS HER GRADES

I'm calling my college roomie at her home, but she's not there and her brother answered. I was so upset I just started going off on him as he listened. I sobbed that I was in jeopardy of losing my music scholarship – which means I'd have to pay for college. He told me that there are other ways to pay for college and he had some ideas. I told him to come over and help me make a list. When he came, I was in emotional shambles and needed a broad shoulder for support. I began to thank him by pushing him down on the sofa, showing him my pretty boobies and taking advantage of his hard on. When I was done sucking it, I took my pants off and put it in my wet pussy. Minutes later I was totally naked. And after he came on my chest, we pulled out paper and pencil and made the list.

I've always been a huge exhibitionist, even if I have small (but nice) titties. Wearing clothes can be bothersome, especially if I'm trying to seduce a guy. I do my best work when I'm naked. I like my guys that way, too.

I mean how am I going to get at that cock when it's stuffed down some pants. I'd rather it be stuffed in my mouth or pussy, especially when I'm doggy-ing it on my hands and knees. Or getting my tight pussy licked in a sizzling sixty-nine.
